# TOYS FOR TOTS LUNCHEON ON NOVEMBER 12TH

*The toy drive was held on November 12th was attended by ~84 Alumni members, their guests and MRC employees. Thanks to the all of the Alumni members and the MRC employees that attended and/or donated toys and dollars for their support of the event. We again wish to thank MRC for their support of this event at the site, especially Ann Notarangelo, for coordinating the MRC toy collection. The event was a WONDERFUL SUCCESS thanks to everyone's generosity (as you can see by the large pile of toys we collected). *Thanks to the Alumni who worked the event from start to finish, Jeff Facer, John and Tracy Wellner, and Jon Marangoni to make the event a smooth-running success. Also wish to thank those folks that supported the event by sorting toys and those that helped cleanup after the lunch. Your help and support are greatly appreciated for your help.*

*The toys were donated to Martinez Shelter, Inc. and La Casa Ujima in Martinez, the groups were very appreciative for toys we collected. This year we also donated toys to the Marine Corp Toys for Tots that were received/purchased after the event was over.*

# Museum Annex Renovation Progress

The work to patch, texture and paint the large room and two restrooms will be starting on Tuesday, November 19th. The contractor we hired did a great job on the second large area that is completed and partially set up. Unfortunately, we still have a leak in the front wall, though we repaired when scuppers were patched. This will delay the finishing of the room until the leak is found and patched. The water leak test by the roofing contractor points to leaks around the windows and cracks/holes in the stucco leaking. Jon is sealing the window cracks with foam and caulking to see if this solves the issue. If not, we will the cracks/holes in the stucco repaired and paint the front of building to seal it up.

We will also update the bathroom fixtures after the texturing and painting is completed. We have received the new ADA toilets to be installed in the Annex.

Then the big task of arranging the displays and setting up the areas for our open house begins.

Photos will be in the next newsletter of the finished area and bathrooms.

## **Requesting submittal of stories for Alumni Scholarship Recipients for Successes/Journeys and Alumni Stories of Hobbies/Travel Adventures/Volunteering in Retirement**

Also would love to hear what Alumni retirees are doing in their spare time. Share your hobbies, volunteer efforts or great travel adventures.

# HUMOR CORNER

## Oh, the pity of old age.

When I went to lunch today, I noticed an old man sitting on a park bench sobbing his eyes out. I stopped and asked him what was wrong. He said, "I have a 22 year old wife at home. She rubs my back every morning and then gets up and makes me pancakes, sausage, fresh fruit and freshly ground coffee."

I said, "Well, then why are you crying?"

He said, "She makes me homemade soup for lunch and my favorite brownies, cleans the house and then watches sports TV with me for the rest of the afternoon."

I said, "Well, why are you crying?"

He said, "For dinner she makes me a gourmet meal with wine and my favorite dessert and then makes love with me until the wee hours."

I said, "Well, why in the world would you be crying?"

He said, "I can't remember where I live!"

## Three Elderly Sisters

Three sisters, ages 92, 94, and 96, live in a house together. One night the 96-year-old draws a bath. She puts one foot in a pauses. She yells down the stairs, "Was I getting in or out of the bath?"

The 94-year-old yells back, "I don't know. I'll come up and see." She starts up the stairs and pauses. Then she yells out, "Was I going up the stairs or down?"

The 92-year-old is sitting at the kitchen table having tea and listening to her sisters. She shakes her head and says, "I sure hope I never get that forgetful." She knocks on wood for good measure. She then replies, "I'll come up and help both of you as soon as I see who's at the door."

## Quiz: How Old Are You Really?

From the following list of 25 items, count all the ones that you remember -- not the ones you were told about! How to score yourself is at the end.

0 - 5 = You're still young

6 - 10 = You are getting older

11 - 15 = Don't tell your age

16 - 25 = You're older than you think!

Be sure to pass this along -- especially to all your friends with really good memories.

When things in your life seem almost too much to handle,  
When 24 Hours in a day is not enough,  
Remember the mayonnaise jar and 2 cups of coffee.

A professor stood before his philosophy class and had some items in front of him.  
When the class began, wordlessly, he picked up a very large and empty mayonnaise jar and proceeded to fill it with golf balls.

He then asked the students, if the jar was full. They agreed that it was.

The professor then picked up a box of pebbles and poured them into the jar. He shook the jar lightly.  
The pebbles rolled into the open Areas between the golf balls.

He then asked the students again if the jar was full. They agreed it was.

The professor next picked up a box of sand and poured it into the jar. Of course, the sand filled up everything else.  
He asked once more if the jar was full. The students responded with a unanimous “yes.”

The professor then produced two cups of coffee from under the table and poured the entire contents into the jar, effectively  
Filling the empty space between the sand. The students laughed.

“Now,” said the professor, as the laughter subsided, “I want you to recognize that this jar represents your life.  
The golf balls are the important things – family, children, health, Friends, and Favorite passions –  
Things that if everything else was lost and only they remained, Your life would still be full.

The pebbles are the other things that matter like your job, house, and car.

The sand is everything else –The small stuff.”

“If you put the sand into the jar first,” He continued, “there is no room for the pebbles or the golf balls.  
The same goes for life.

If you spend all your time and energy on the small stuff, you will never have room for the things that are important to you.

So...

Pay attention to the things that are critical to your happiness.

Play With your children.

Take time to get medical checkups.

Take your partner out to dinner.

There will always be time to clean the house and fix the disposal.”

“Take care of the golf balls first — the things that really matter.

Set your priorities. The rest is just sand.”

One of the students raised her hand and inquired what the coffee represented.

The professor smiled. “I’m glad you asked.”

“It just goes to show you that no matter how full your life may seem, there’s always room for a couple of cups of coffee with a friend.”
